## LOVE, HOPE AND JUSTICE IN ACTION

**Welcome to ABM's new publication, Love, Hope and Justice in Action. Like its predecessor, the Project Book, you'll find out what God is doing through our partners and how you can join them in prayer and giving to witness to the good news of Jesus Christ by bringing love, hope and justice to communities in Australia and across the world.**

This simpler and smaller format provides an overview of all you can contribute to. Visit our website, [www.abmission.org](http://www.abmission.org), or scan the QR code on each page, for more details.

Founded out of God's love, the heart of ABM and AID is relationships, interconnection and collaboration. In our 175th year we give thanks to God for all that has been achieved and look forward to participating in God's mission with you.

Yours in Christ

**The Rev'd Dr John Deane**  
Executive Director of ABM and AID

# THE FIVE MARKS OF MISSION

... sure signs of God's grace in the world.

**The work of ABM and AID is grounded in one or more of the Five Marks of Mission.**

## 1 The first Mark of Mission

**Witness to Christ's saving, forgiving and reconciling love for all people** is a summary of what all mission is about. "All this is from God, who reconciled us to himself through Christ and has given us the ministry of reconciliation..." (2 Corinthians 5.18). Thus, it is the basis for all the other Marks. As you read about the work of our partners in this book, we invite you to see it all as an expression of Christ's saving, forgiving, and reconciling love for all people, including ourselves. Engagement with the work of ABM and AID's partners provides us all with opportunities to be part of God's reconciling love. Particularly as we read about the Reconciliation Fund and the work of NATSIAC, we invite you to consider prayerfully what steps may be taken or may continue to be taken, to work for reconciliation with the First Nations people of this land.

## 2 The second Mark of Mission

**Build welcoming, transforming communities of faith** invites us to consider not only our own communities but also how we may work with our partners to strengthen their church communities in their own context. Our partners work through their local church networks, so stronger churches mean better outcomes for all. This is particularly so for ABM's Church to Church program which supports the Anglican Church of Papua New Guinea's Bishop Newton School of Theology and of St John's Seminary in Zambia, as they train the next generation of church leaders. These students will need to wisely lead and build their own church communities to overcome existing and emerging challenges.

## 3 The third Mark of Mission

**Stand in solidarity with the poor and needy**, brings to mind all peoples in Australia and around the world who do not have enough to eat, who lack clean water and sanitation, or who live imprisoned in illiteracy or lack of education. It reminds us of Jesus' own words in Matthew 25:34-40 about the importance of responding to such physical needs as if we were serving him. Supporting partner work under this Mark enables us to consider ways in which we may stand in solidarity with those whose lives are blighted by poverty.

## 4 The fourth Mark of Mission

**Challenge violence, injustice and oppression, and work for peace and reconciliation**, again puts us in mind of Christ's reconciling love for all people and calls us to challenge all that works against peace and reconciliation. Our partners strive to overcome practices such as child marriage, violence against women and children, lack of recognition of the rights of people living with disabilities, or the forced movement of people within their countries or to foreign countries as they seek to rebuild their lives safe from conflict. May you be encouraged to support them in their efforts and to seek to do likewise in your own communities.

## 5 The fifth Mark of Mission

**Protect, care for, and renew life on our planet**, makes a particularly urgent call to us as our world experiences increasing environmental degradation, sea level rises, and an increasing number and intensity of natural disasters.

# RESOURCING YOU FOR GOD'S MISSION

## PILGRIMAGES: AN EXPERIENCE THAT WILL CHANGE YOU FOREVER

**“We will come back changed. Of that I am certain. But of course, that is the reason why you go on pilgrimage in the first place, to find the holy, stumble upon God in action, and be changed forever by the experience.”**

Canon Trevor Dennis

Pilgrimages offer ABM supporters the opportunity to visit one of our partners:

- learning more about the context in which that partner works;
- seeing the Five Marks of Mission in action; and
- finding out first-hand the difference that their prayers and giving have in the lives of people they meet.

Pilgrims are also challenged to deepen their own faith by seeing faithful Christian living in a different cultural context.

ABM Pilgrimages are not tourist trips – they are a deliberate immersion into the lives of our partners and the communities they serve, and the challenges they face.

ABM advertises any upcoming pilgrimages on our website [abmission.org/get-involved/make-a-pilgrimage](http://abmission.org/get-involved/make-a-pilgrimage) and in our monthly e-news. Sign up to receive *On a Mission* to ensure you get notified of any future pilgrimages. See page 10 for details on how to subscribe.

## THE GIFT THAT TRANSFORMS LIVES FOR GENERATIONS TO COME

Over ABM's almost 175-year history, bequests have profoundly impacted mission outcomes in the long term, reflecting our supporters' enduring support for God's mission in Australia and globally and enriching communities and strengthening churches for generation to come.

Have you considered leaving a gift to ABM or AID in your Will? You would become a steward of positive change, leaving a legacy that transcends material wealth.

Many of us give from our incomes, driven by faith and a commitment to wider causes. Later in life, having provided for family, we consider our legacy. A gift in your Will allows your values and commitment to God's mission to live on.

Gifts in Wills are just one thoughtful way to support ABM's mission. We deeply value these personal gifts and honour each one with gratitude.

# CHURCH TO CHURCH

## Growing Church Leaders

## ABOUT THE CHURCH TO CHURCH WORK

**ABM's Church to Church work grows church leaders through theological education and formation, supporting local churches as they respond to the call of love, hope and justice in their own context.**

Quality theological education is the foundation for a strong church. Through ABM's Theological Education Program, Australian Anglicans support our partners in PNG and Zambia to train the next generation of church leaders.

Ongoing formation of clergy and lay leaders strengthens churches. ABM's Encounter Program provides opportunities for personal connections between Australian Anglicans and our partners which further strengthens all involved as they learn from each other about ministry in different contexts and build personal relationships.

## BISHOP NEWTON SCHOOL OF THEOLOGY

(FORMERLY CALLED NEWTON THEOLOGICAL COLLEGE)

**The Bishop Newton School of Theology in PNG is part of the Modawa Institute of Higher Education, an exciting development, spurred on by the PNG Government's requirement for tertiary providers to be accredited.**

Fr Leki Kambari, a 2024 Newton graduate, said that *"Newton has prepared me very well for prayer life, pastoral work, and leadership...[and]...donors could make a real difference to the training of ... ministry [students]. Once ordained, they would be able to go out into mainly rural communities and help them to thrive"*.

Your gift will have a positive impact on students, like Fr Leki, who go out into parishes and other faith communities, strengthening them not only through proclaiming the Gospel, but also through leading and organising their communities, helping them to develop.

# ST JOHN'S ANGLICAN SEMINARY ZAMBIA

**Fr Austin Ng'andwe, from Chongwe Parish, Lusaka, is a recent graduate from St John's Anglican Seminary in Zambia.**

He writes, "Being at St John's, I was privileged to be spiritually and professionally well equipped with pastoral tools for ministry." He notes, however, the college's challenge: "St John's has only six staff members including four permanent teachers. God willing...the school finds support...to increase the staff members. The students' hostel needs to be increased too, as the school can only train up to nine students every four years. The library also needs to upgrade...to help the students improve on their academic performance."

Your gift will both encourage St John's staff and students as they strive to overcome challenges and provide the materials needed to train more spiritually and professionally well-equipped leaders.

**ABM supports our partners respond to God's call of love, hope and justice in their own context. ABM's Encounter Program provides the opportunity for Australian Anglicans and a specially-selected Encounter Visitor to see different viewpoints and share things with their wider church family.**

ABM's 2025 Encounter Visitor is Fr Francis Marvin from PNG's New Guinea Islands Diocese. While in Australia, Francis will work among and learn from his host parishes and they will learn about life in PNG, its similarities and differences to life here.

Your gift will allow Australians like you to learn about Anglican life outside your own parish through this formative program and help the Encounter Visitors reach their own learning goals and take a little piece of Australia home with them in their hearts.

# RECONCILIATION

## We are the Body of Christ

## ABOUT THE RECONCILIATION WORK

**ABM has a rich and complicated history of involvement with the First Nations peoples of Australia, including some significant failings. We believe that the task of working for reconciliation within Australia is integral to mission.**

Our Anglican Church is blessed by the sacrificial ministry of many Aboriginal and Torres Strait Islander Anglicans. These leaders are often working with vastly inadequate resources, and in situations of very high need. ABM's Reconciliation work strives to correct that inequity by lifting up the voices of these Aboriginal and Torres Strait Islander Anglican leaders and channelling the generous giving of the wider Church to equip them to carry out the work they are called to do.

ABM believes Aboriginal and Torres Strait Islander people have unique gifts for our Church. ABM supports the National Aboriginal and Torres Strait Islander Anglican Council (NATSIAAC) and the National Aboriginal Bishop in their call to elevate the voices of Aboriginal and Torres Strait Islander peoples in the Church, and in society. We believe that the voices emerging from the struggles of people marginalised in our own society help us to hear what the Spirit is saying to the Church, and to prophetically imagine the future God is calling us into together.

Through its Reconciliation Fund, ABM provides a mechanism for NATSIAAC to prioritise and fund local ministry initiatives by, for and with Aboriginal and Torres Strait Islander peoples. Through its Aboriginal and Torres Strait Islander Leadership Fund, ABM AID supports institutions and initiatives which advance Indigenous education and self-determination, such as Nungalinga College in Darwin and Gawura School in Sydney.

Your support of ABM and AID's Reconciliation work will lift up the voices and equip the work of our Aboriginal and Torres Strait Islander partners.

You can read more about ABM's Reconciliation work on the following pages or by visiting [abmission.org/Reconciliation](https://abmission.org/Reconciliation).

# RECONCILIATION FUND

*The LORD said, "What have you done? Listen! Your brother's blood cries out to me from the ground".*  
Gen 4:10

Truth-telling and reconciliation are urgent missional calls for the Australian church. ABM collaborates with the National Aboriginal and Torres Strait Islander Anglican Council (NATSIAC) so that Aboriginal and Torres Strait Islander leaders determine their own mission priorities.

The Reconciliation Fund supports pioneering Aboriginal leaders, such as the Rev'd Gloria Shipp and her Walkabout Ministries, as well as evangelism, pastoral care, resource development and advocacy in the Northern Territory, North Queensland, the Torres Strait, and other parts of Australia.

Your gift to the Reconciliation Fund helps Aboriginal and Torres Strait Islander people respond missionally to the Gospel and speak prophetically to the wider church and society.

# ANGLICAN CHURCH OF PAPUA NEW GUINEA (ACPNG)

The Anglican Church in Papua New Guinea (ACPNG) is leading transformative change across the country. Partnering with ABM AID, ACPNG addresses social and economic challenges in remote rural areas and urban settlements across its five dioceses.

Through the innovative Agents of Change course, developed by the Anglican Alliance and the Open University in the UK, and adapted to the PNG context, the church equips members with skills to deliver effective community development projects, increasing family incomes, increasing community cooperation, and strengthening leadership and management within dioceses and parishes.

Your support enables the church to lead transformative change, training and inspiring leaders who bring sustainable growth, hope, and opportunity to their communities. Together, we can strengthen lives and build a brighter future in PNG.

# ANGLICAN CHURCH OF MELANESIA (ACOM)

In the Solomon Islands, AID supports ACOM to promote resilient communities. Communities are strengthened through a range of initiatives: climate data collection; coastal tree planting and sea wall construction protect against rising seas; demonstration gardens promote food security; community awareness-raising sessions promote hygiene (to complement water tank installation), disaster preparedness and positive parenting.

In Vanuatu, AID supports ACOM's vital WASH (Water, Sanitation, and Hygiene) programs and literacy initiatives. Rural communities gain access to clean water and improved hygiene. Innovative methods like participatory role-plays inspire behavioural change. Literacy and numeracy training further empower families to thrive.

Your support drives these life-changing programs, building stronger, healthier, and more climate-resilient communities for generations to come. Join us in addressing the urgent climate and development challenges in the Pacific.

The Church of the Province of Myanmar (CPM) delivers life-changing support to remote communities: clean water, hygiene training, and sustainable livelihoods.

In Homalin, in Sagaing Region, 22 households now have clean, safe water thanks to a new well and water system. Training in hygiene and sanitation has further improved health, while education on gender equality has empowered the community.

In Hpa-an Diocese, women now run successful weaving businesses, achieving financial independence. Similarly, in Pyay Diocese, men like Michael Khaing Htoo were trained in motorcycle repair, helping communities stay mobile and self-reliant. Improved income also enhances food security.

Your support continues these transformative projects, creating hope, dignity, and opportunity for more remote families struggling with poverty to improve their own lives.

# EPISCOPAL CHURCH IN THE PHILIPPINES (ECP)

The Episcopal Church in the Philippines is transforming lives in the Philippines through two vital initiatives: education and sustainable livelihoods.

In Isabela Province, St. Mark's Children's Learning Centre is expanding to meet the growing demand for quality education: a new two-storey building containing eight classrooms allows for a new grade each year until it serves Nursery through Grade 7 by 2028. A campus endowment fund will ensure long-term sustainability, enabling the Diocese of Santiago to pay teachers fair wages and deliver brighter futures for students.

Meanwhile, E-CARE is building sustainable livelihoods in the wake of the pandemic and climate challenges. Activities include water harvesting, tree ecosystem development, solar energy, and plastic waste utilisation.

Your support transforms lives, empowering families, uplifting communities, and creating greater opportunities for education and resilience.

# PHILIPPINE INDEPENDENT CHURCH (IFI)

ABM AID partners with IFI-VIMROD to transform lives in farming and fishing communities. Through innovative projects like 'Low External Input and Sustainable Agriculture' (LEISA), groups work together to identify community assets and improve long-term livelihoods.

LEISA pig raising uses locally available materials like rice hulls and sawdust for pig bedding, creating multiple benefits. Farmers have seen remarkable results: healthier pigs + lower costs = increased profits. Esmerelda, for example, cut feed costs by 70% and earned nearly \$300 selling just three piglets.

This 'low external inputs' approach is also used for growing crops. It empowers families to thrive sustainably while strengthening community bonds.

Your support can help expand this life-changing work, giving more farmers the tools they need to build brighter, viable and healthier futures for their families and their community.

# CHURCH OF CEYLON (COC)

**ABM AID proudly supports transformative programs led by the Diocese of Colombo's Reconciliation and Peace Desk and the Diocese of Kurunagala.**

At the Oppuravillam Peace Centre, children of vulnerable families benefit from educational initiatives such as computer training, national exam tutoring, and scholarships. A mother expressed gratitude for the nutritious meals her preschooler received, saying, "We are suffering from this economic crisis. I couldn't provide healthy meals for my children. Thank you for your support."

In Kurunegala, a school refurbishment project will offer primary education to the children of tea-picking labourers, with ABM AID funding teachers' salaries, some interior upgrades, and furniture.

# ANGLICAN CHURCH OF KENYA (ACK)

**The Anglican Church of Kenya, with ABM AID, is transforming lives through climate-smart farming, disability empowerment, and education for children living in poverty or with disability.**

In Makueni County, farmer Josphine Kioko, trained by Anglican Development Services Eastern (ADSE), now grows drought-tolerant crops, earning \$800 per season and improving her family's future.

In Eldoret Diocese, the Community-Based Rehabilitation (CBR) project helps people with disabilities like Margaret thrive through business training and support.

A new education initiative, also in Eldoret Diocese, provides school lunches and scholarships for children living with poverty or disability, ensuring vulnerable children stay in school.

Your support will sustain this life-changing work to transform more lives and build even brighter futures where participants have the chance to thrive.

# ZAMBIA ANGLICAN COUNCIL (ZAC)

When you support churches and communities in Zambia to end gender-based violence, lives are transformed in powerful ways. Your contributions allow ZACOP, the Anglican Church in Zambia's outreach arm, to drive change in a nation facing poverty and family violence.

In Eastern and Luapula Dioceses, ZACOP trains local champions, like Joyce and Miriam, to shift individual and community attitudes and behaviours. Just three years into a five-year program, significant progress is already evident: male champions challenge anti-social behaviour; women's livelihoods are improving; communities achieve goals together.

Your gift makes a positive difference to vulnerable Zambian communities, empowering leaders to guide their communities towards lasting changes that combat gender-based violence and enable women and families to thrive as God intended.

# DIocese OF JERUSALEM (DOJ)

Amidst continuing dire conditions, the Diocese of Jerusalem strives to deliver essential healthcare and education to vulnerable communities in the Holy Land, through its extensive network of parishes and service provider institutions, including hospitals and schools.

While much energy and attention are given to their ongoing work in Gaza they also support educational opportunities for children who might otherwise miss out. Saviour Arab

Evangelical School in an industrial city in Jordan, offers that city's only program for vision-impaired students. They want all students, regardless of disability, to learn and play together.

Your support makes a profound difference to vision-impaired children and hope to their families by providing quality inclusive educational opportunities. Together we bring hope and joy to these children and their families.

## EMERGENCY RESPONSE

# EMERGENCY RESPONSE

**ABM AID's Emergency Response Program prepares and resources our partners to respond quickly and effectively to emergencies affecting their local communities. Sadly, this Program is activated more frequently as both natural and conflict-driven humanitarian emergencies increase. Our Emergency Response Program is complemented by longer-term support of partners' disaster preparedness among churches and communities.**

To ensure ABM AID can financially support partners to respond quickly to emergencies, we are seeking contributions to a Rapid Response Fund. Depending on the size of the partner's response, ABM AID may also raise a special appeal for further funds.

Your gift enables AID to immediately send funds when a partner seeks our support for their emergency response, facilitating their quick and effective action when emergencies occur.
