

# Partners Praying Together

## March 2021 – Covid-19 Special Edition

**B**ECAUSE OF THE RAPID CHANGES brought on by the Covid-19 pandemic across the globe much of ABM's normal project work has been disrupted. Because of that, we have asked our Overseas Partners to supply us with prayer points that reflect the situation in their country. Included in this edition of *Partners Praying Together* are the prayer points that we have received. We have included these so that you can show prayerful concern for them as they, who like us are 'wearied by the changes and chances of this fleeting world' (as the prayer from Compline puts it), adjust to living in a time of global pandemic. You'll also find the usual things we would normally have: the feasts and commemorations from the lectionary, the Australian Cycle of Prayer, and commemorations from the United Nations calendar. All the material is designed to inform your prayers for our Overseas Partners, the bishops and dioceses of our Church and for wider global concerns. With the Psalmist let us pray, 'Let my prayer be counted as incense before you, Lord, and the lifting up of my hands as an evening sacrifice' (141.2).

## Who are ABM's Overseas Partners?

**T**HIS MONTH WE ARE ASKING YOU not only to remember our each of our Australian dioceses as they grapple with the Covid-19 pandemic, but also each of our Overseas Partners as they deal with it too. Our Overseas Partners consist of Activity Partners (with whom we currently have joint activities), Relational Partners (with whom we have historical relationships) and Networking Partners (with whom we work overseas, or with whom we share information). We have, as the well-used Anglican phrase describes it, strong *bonds of affection* for all of them. Because our overseas work involves both the Church, through our Church-to-Church Unit, and communities, through our Anglicans in Development Unit, we often relate to our partners both through the Church itself and through a particular Church's community development arm. So, as you pray, we ask you to remember each of our Partners (and their community development arms) some of whom are more able to weather through the coronavirus storm than others:

### Activity Partners

### EACH DAY THIS MONTH

✠ *ABM Prayer Theme: Pray for all those affected by the Coronavirus disease (Covid-19) whether here in Australia, within ABM's Overseas Partners, or beyond – for the souls of all who have died; for the families and friends they have left behind; for the sick; for those so overwhelmed by anxiety that they have resorted to panic buying and hoarding; for children who are now scared of dying; for those in self-isolation or in quarantine; for those unable to work from home; for those whose businesses have been negatively affected; for those whose income is now reduced or who have been laid off; for those more susceptible to the disease – whether by age or underlying medical condition; for those who are unable, for any reason, to worship in their churches or synagogues, mosques or temples. Give thanks for all the doctors, nurses, and other medical staff who are tending to the sick; for the epidemiologists and other scientists who are working towards a vaccine; for those who show kindness to others through 'social distancing', through buying groceries for the elderly, or through phone calls to the isolated; for all those businesses who are able to let their staff work from home; for those who have been buying responsibly in the supermarkets; for those churches who are finding creative ways to engage in worship and prayer online or outside; for all who minister to others in Christ's name in this season of anxiety*

# *Prayer Points* from our *Overseas Partners*

## **The Anglican Church of Aotearoa, New Zealand, and Polynesia**

- ✚ We thank God that the recent Covid-19 community outbreak in Auckland was contained so quickly and that lockdown restrictions were uplifted after a few days. We continue to continue to pray against complacency noting how fortunate Aotearoa New Zealand has been in fighting the pandemic to date.
- ✚ We give thanks for the skill and expertise of medical and public-health professionals who have developed vaccines which are increasingly available and we pray that these vaccines are shared equitably.
- ✚ We pray for the Diocese of Polynesia as it continues to lead by example as it responds to recent cyclones in Fiji and Tonga. Thank you for the way the Church is bringing hope to shattered and struggling communities, including counselling support and help in rebuilding houses and replanting food gardens.
- ✚ We pray for a generous response to the Anglican Missions Lenten Appeal which this year will provide hospital maternity beds in Jerusalem; training for young Christian leaders in Egypt and new water tanks in the Solomon Islands.
- ✚ We remember and pray for the people of Christchurch ten years on from the devastating earthquake that took 185 lives; caused many injuries, changed countless lives and destroyed large parts of the city. We give thanks for the role the Anglican Church continues to take in bringing hope and peace.

## **The Episcopal Church of Jerusalem and the Middle East**

- ✚ Pray for all in the Middle and Near East who are as yet far away from receiving vaccinations.
- ✚ Pray for the people of the Lebanon, suffering from extreme political and economic disruption and dysfunction.
- ✚ Pray for the nation of Iran and for all its citizens to be respected and kept safe irrespective of religion or status.
- ✚ Pray for churches in our region to be given strength to survive multiple lockdowns and the battering of their finances.
- ✚ Pray thankfully for Christian witness and service maintained in so many places despite adversity.
- ✚ Pray for us all to live Lent with Christ.

- ✦ Pray for doctors, nurses and all involved in the medical industry as the pandemic continues, and also takes its toll on their health and lives; ask God to uphold them in his loving arms.

- ✦ Give thanks for the arrival of warmer weather as the country moves in to Spring; for the beauty of God's creation as flowers bloom and buds blossom.
- ✦ Pray for all those suffering from hay fever in this nation (estimated to be over 40% of the population); as the cedar pollen affecting most is predicted to be particularly strong this year
